12/28/2009	338	ORDER DISMISSING FOR LACK OF JURISDICTION Gallo et al v. Bayer Corporation et al 09-20136. On November 30, 2009, the Judicial Panel on Multidistrict Litigation issued a Conditional Transfer Order transferring this action from the Central District of California to the Southern District of Illinois. On December 3, 2009, the Central District of California remanded this action to the Los Angeles County Superior Court. Thereafter, on December 16, 2009, the Conditional Transfer Order was filed in the Southern District of Illinois. Pursuant to Rule 1.5 of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, a conditional transfer order "does not affect or suspend orders and pretrial proceedings in the district court in which the action is pending and does not in any way limit the pretrial jurisdiction of that court." Moreover, pursuant to Rules 1.5 and 7.4(e) of the Rules of Procedure of the Judicial Panel on Multidistrict Litigation, the Conditional Transfer Order did not become effective until it was filed with this Court on December 16, 2009. Accordingly, the Central District of California retained jurisdiction at the time of remand and this Court lacks jurisdiction over this matter. Therefore, this case is dismissed without prejudice for lack of jurisdiction and the file is closed. Signed by Chief Judge David R. Herndon on 12/28/2009.
